|  <p>Live, instructor-led
Real-time classes with a trainer who answers your questions as you go — not a library of old videos.</p> |  <p>Built around your time zone
Weekday or weekend batches, with time slots planned around your local working hours.</p> |
|  <p>Learn from anywhere
No travel, visas or hotel bills. A laptop and a stable internet connection are all you need.</p> |  <p>Practical, hands-on sessions
Scenario-based exercises that mirror real enterprise projects, not just theory.</p> |
|  <p>Focused on the exam
Content mapped to the official exam objectives, with guidance on preparing for and booking your exam.</p> |  <p>Private corporate batches
Dedicated batches for your team, scheduled to your calendar and goals.</p> |
